

Internship for Sales & Marketing

## Marketing profiles: Analytic profiles

### Our vision

The Coca-Cola European Partners vision is to be the best beverage sales and customer-service company. Our operating framework defines what being the best means for CCEP, and outlines the strategic priorities that will help us become the best - so we can drive consistent, long-term, profitable growth.

#### Our Strategic Priorities

- Grow value of existing brands and expand our product portfolio responsibly
- Transform our go-to-market model to improve efficiency and effectiveness
- Attract, develop and retain a highly talented and diverse workforce

### Your profile

You are studying in a marketing orientated area. The school provides you the possibility to perform an internship. This can be situated in a large range of educations.

You are **willing to learn**, you have an **assertive attitude** & most of all, you're passionate in what you do by always trying to **deliver the best results**.

Executing tasks and think together with us, is a big plus!

### Job responsibilities/required skills

- Able to execute marketing research
- Bilingual (Dutch/French is a must, English is an advantage)
- Commercial skills
- Analyze results
- Communication skills
- Able to develop business cases
- Strong administration skills
- Extremely well organized, brings systematic approach and organization in a department where many topics are handled simultaneously and asked to be fast and qualitative.
- Great reactive skills, stress resistant, can flexibly re-set priorities in function of continuous inflow of messages and demands in an environment where many unplanned things happen;
- Always proactive, constructive, positive and solutions oriented
- Strong communicator to the internal team, Coca-Cola European Partners and external partners
- IT literate: PowerPoint, Word, Excel
- Keep deadlines: keep people posted about progress of projects.

### What we offer

An interesting and fun internship in a great workplace with dynamic colleagues.

A dedication and enthusiasm of us to learn and coach our interns to become the best performing interns of all!

### When

We are looking for interns, during all year, depending on the opportunities and projects we will have.

### How to apply

ONLY APPLY IF YOU HAVE AN ANALYTIC PROFILE AND BACKGROUND
